Klarangan, Harjobinangun, Pakem, Sleman, Yogyakarta 55582

A fresh graduate informatics student experienced in building web applications and documentation. Applies a design thinking approach to understand user needs and develop efficient, user-centered, end-to-end solutions.

Education Level

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2022 - Jul 2026

Bachelor of Informatics, 3.80/4.00

- 2nd Place – Technology Product Competition | 2024 | Secured 2nd Place out of 20+ cohort teams with the "CariJasa" app prototype, advancing to win IDR 10M in government funding (Top 3) for its startup proposal.
- Volunteer English Teacher | 2023 – 2024 | Taught foundational English skills to 15+ elementary school students through interactive learning activities at St. Antonius Padua Church and St. Mikael Parish.

Work Experiences

PT Tiga Pilar Keamanan (Fourtrezz) - Yogyakarta, Indonesia — Sep 2025 - Mar 2026

Full-Stack Developer Intern

- Designed and developed an end-to-end asset lending and employee management platform, centralizing operations and building a real-time self-service dashboard that empowered 20+ employees while streamlining HR tasks.
- Authored comprehensive technical documentation and user guides to ensure seamless day-to-day operations, system maintenance, and user adoption across the organization.

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2024 - Jan 2025

Teaching Assistant Coordinator of Design Thinking & Creativity Class

- Spearheaded the operations of a 7-member teaching assistant team supporting 10 classes, acting as the key liaison for 3 lecturers to streamline class activities, grading, and course execution.
- Executed the full range of teaching assistant duties while maintaining high standards of academic and operational support.

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2023 - Jan 2024

Teaching Assistant of Design Thinking & Creativity Class

- Led project mentoring and interactive group discussions for 30+ students in 3 classes, helping them apply core Design Thinking principles to solve complex project challenges.
- Streamlined academic support operations by coordinating grading workflows, managing 4+ course materials, and monitoring 20+ student project deliverables.

Universitas Atma Jaya Yogyakarta - Yogyakarta, Indonesia — Aug 2023 - Jul 2024

Programming Study Group Mentor

- Mentored 4 junior students through foundational C programming and problem-solving, providing hands-on mentorship to enhance their logical reasoning and coding proficiency.
- Authored structured learning materials, practice problems, and self-learning modules to systematically support and evaluate student progress.

Organisational Experience

Usher The Grace GKI Gejayan - Yogyakarta, Indonesia — Mar 2024 - Present

Usher Graceful Coordinator

- Led a team of 30+ usher volunteers for weekly services with 250+ attendees, serving as the liaison to the Head Usher to optimize seating, crowd management, and safety standards.
- Mentored and onboarded new usher members on service excellence and situational awareness, maintaining high operational standards and a welcoming attendee experience.

Design Thinking & Creativity Exhibition 2024 - Universitas Atma Jaya Yogyakarta — Nov 2024 - Dec 2024

Chair of Committee

- Led and coordinated a committee of 40+ members in planning and executing a department-level exhibition.
- Oversaw the presentation of 30+ student innovation projects and ensured smooth operations for 150+ attendees.

Programming in Contest 2024 - Universitas Atma Jaya Yogyakarta — Jan 2024 - Jun 2024

Event Coordinator

- Led and coordinated a team of 5 committee members in managing event planning and cross-functional logistics allocation.
- Ensured all event activities were executed on schedule and without operational or technical disruptions.

IFEST #12 2023 - **Universitas Atma Jaya Yogyakarta** Dec 2023 - May 2024

Fundraising Committee Member

- Designed 3+ promotional visuals and marketing posters to enhance product appeal and support fundraising efforts.
- Generated over IDR 4M+ in revenue through direct sales activities, exceeding the overall fundraising target.

Field Trip KSP C 2023 - **Universitas Atma Jaya Yogyakarta** Aug 2023 - Oct 2023

Event Committee Member

- Prepared detailed event run sheets and schedules to ensure efficient time management and seamless event execution.
- Served as the Master of Ceremonies (MC), facilitating event proceedings and fostering 30+ active participant engagement.

IFEST #11 2022 - **Universitas Atma Jaya Yogyakarta** Dec 2022 - May 2023

Logistics Committee Member

- Conducted thorough vendor research across 5+ trophy and catering vendors, selecting optimal suppliers to maximize budget efficiency without compromising quality.
- Coordinated catering distribution processes, ensuring accurate quantities and timely delivery throughout the event.
